>> Throughput

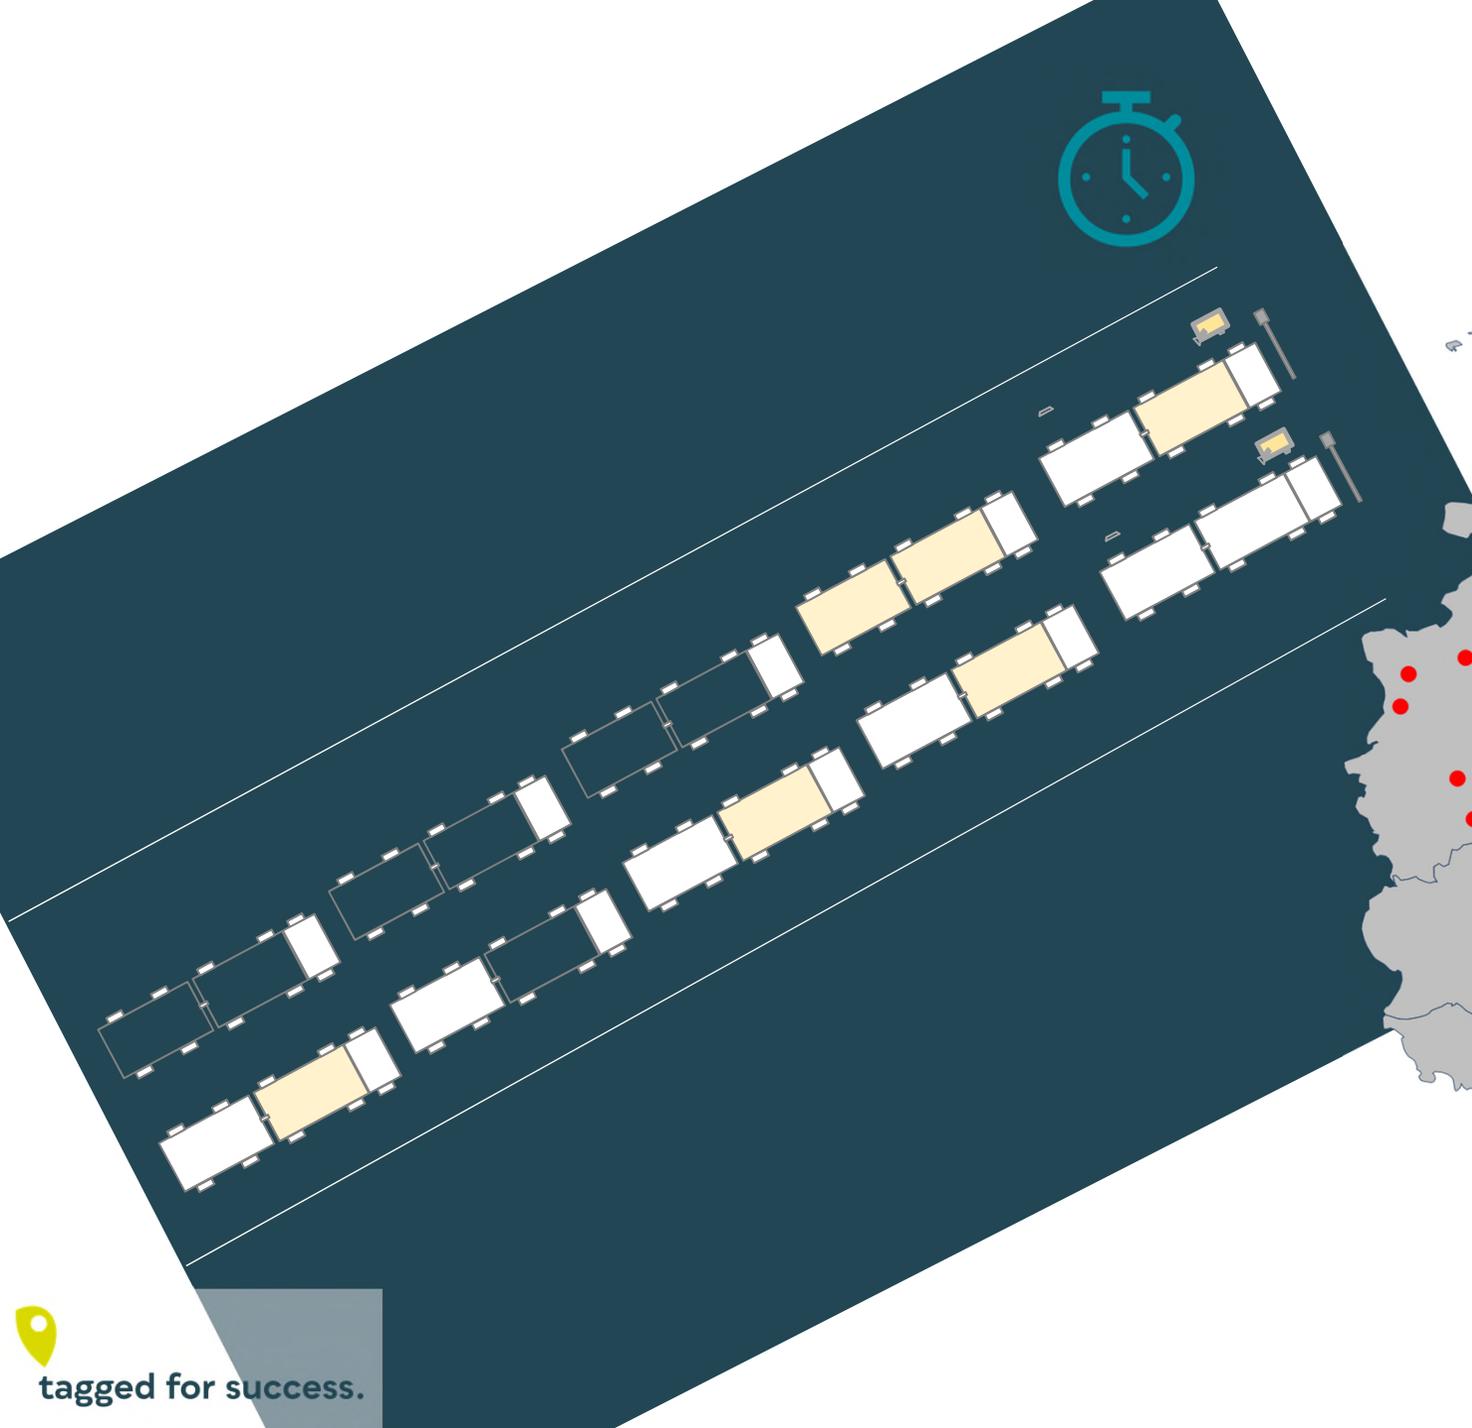

The background of the slide is a blurred image of an Amazon warehouse. It shows a complex network of conveyor belts, sorting machines, and yellow safety railings. Several cardboard boxes, some with the Amazon logo, are visible on the belts. The image is overlaid with a pattern of white hexagonal cutouts of varying sizes, some of which reveal more detailed views of the warehouse machinery.

• Parcel sorting technology is capable

- Automated and fast processes are crucial to achieve success.
